

Career Professionals Needed

As part of Danville High School's promotion of school success and nurturing lifelong learners through **RIGOR, RELEVANCE and RELATIONSHIPS**, Freshman House administration is currently seeking career professionals to participate in the **2011 Career Fair-Passport to the Future**.

The event will be held Monday, October 17, 2011 at Danville High School from 8:00 am – 2:40 pm.

A Career Information Fair is a great way to introduce high school freshman to the world of work. Bringing career professionals to the school to share their expertise and career background experiences gives students a chance to meet new people, learn about careers they may never have considered before, and begin thinking about a career path.

If you are interested in participating in the Freshman House Career Fair, please contact Sharon Phillips, Freshman House Administrator at 444-1744 or phillipsS@danville.k12.il.us or Kim Kuchenbrod, Vermilion Advantage at 442-6201 ext 113, kkuchenbrod@vermilionadvantage.com. **Deadline to respond: September 30, 2011**
