BIGG Tip: How to Remember Faces AND Names - Memory champion Nelson Dellis uses visual hooks. When you meet someone: (1) Pick a memorable feature. (2) Get their name. (3) Turn it into a picture. (4) Envision the picture on their feature. For example: You meet a curly-haired woman, named Karen. You imagine an oversized curling iron. Now, picture the curling iron in Karen's curly hair. Remember faces and names for your BIGG success! Get more tips from BIGG Success [here](#).
