BIGG Tip - Working Remotely? WAIT to Communicate Better - WAIT is an acronym for Why Am I Talking? Before you speak online or on the phone, ask yourself: What's the purpose of this communication? How can I best say it? And it doesn't a just apply to talking. WAIT when you're writing an e-mail. Just ask: Why Am I Typing? How about: Why Am I Texting? It helps you get to the point. So WAIT...for your BIGG success! Get more tips from BIGG Success [here](#).

We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to Covid-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Machele has your property on her list! Call Machele at 217-442-6201 or email her at mdykes@vermilionadvantage.com if you need assistance.
