BIGG Tip: *Stressing About Striving for Work-Life Balance?* - Stop trying. Work-life balance limits you three ways: (1) Place - Work occurs at the office; personal happens at home. (2) Time - You work designated hours; personal life revolves around them. (3) Reconciliation - You try to spend similar time at home and at work. Don't divide your life into two parts. Live one life all the time. Flow effortlessly between the areas for your BIGG success! Get more tips from BIGG Success [here](#).
