CITY OF DANVILLE DEPARTMENT OF COMMUNITY DEVELOPMENT  
Announces Bridge Work at Oregon Street Overpass

The City of Danville announces that bridge work is scheduled to start on the Oregon Street overpass on Tuesday August 28, 2018. The bridge expansion joints will be replaced along with approach pavement repairs and sidewalk repairs on the bridge. During construction, traffic will be reduced to one lane and controlled by temporary traffic signals. The project is expected to last until late November.

Motorists should expect delays and plan alternative routes while the work takes place. For more information, please contact R. David Schnelle with the Community Development Department at 431-2384.

**BIGG Tip: Why Do We Forget Our Best Ideas?** - Research shows we over-estimate the duration and capacity of our short-term memory. Without repetition, we only remember new information for thirty seconds at most. As for capacity, we can retain no more than nine new items - and that's if they're grouped, like phone numbers in three sets. So don't rely on your memory to store great ideas. Write them down for your BIGG success! Get more tips from BIGG Success [here](#).
