BIGG Tip - How Can You Avoid a Working Vacation? - DO NOT respond to email! Daniel Sieberg, author of *The Digital Diet*, says it shows you're reachable. Instead, consider writing a response you can send immediately when you get back. Also, prepare people for your absence well in advance. Tell them when you'll be gone and who to contact for assistance. Set boundaries so you get a real vacation. It leads to BIGG success! Get more tips from BIGG Success [here](#).

We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to COVID-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth

list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Mabelle has your property on her list! Call Mabelle at 217-442-6201 or email her at mdykes@vermilionadvantage.com if you need assistance.
