**BIGG Tip: This Self-Talk Twist Puts You in Control** - You're outside the door, about to walk into a meeting, and you've got butterflies because this one's important. What you say to yourself determines how you'll walk through that door. You could say: "I'm nervous." This gives the situation the power. Instead say, "I'm making myself nervous." This lets YOU decide how it affects you. Choose the empowering perspective for your BIGG success. Get more tips from BIGG Success [here](#).
