**BIGG Tip - Would You Choose \$50 Now or \$100 a Year from Now?** - Research shows most people took \$50, giving up a 100% return. Avoid this trap by imagining yourself enjoying the bigger reward now. Say you're saving for a down payment on a house. Picture yourself living there, in full detail - entertaining friends, enjoying your new entertainment center. Visualizing it keeps you motivated so you can live it for real. It leads to BIGG success! **APPI Energy - Data-Driven Procurement and Consulting** - For 23 years, APPI Energy has remained a trusted name as the preferred provider of energy consulting services for 158 trade associations and chambers of commerce including Vermilion Advantage. **We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs** - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to COVID-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Mabelle has your property on her list! Call Mabelle at 217-442-6201 or email her at [mdykes@vermilionadvantage.com](mailto:mdykes@vermilionadvantage.com) if you need assistance.
