BIGG Tip: What's the Secret to Getting More Done? - Build a task warehouse! Treat tasks like an online retailer's goods. Set up a receiving department for incoming tasks. Check for damage; reject any not in line with your goals. Reject them. Put the rest in storage, to be pulled later. Finally, set up a shipping department. Pick a task from storage. Consider it shipped when it's done. It leads to BIGG success! Get
