BIGG Tip - An Essential Question About Your Work - Research suggests three primary work-orientations: (1) Job-oriented people pursue their passions outside work. They mainly work for the money. (2) Career-oriented people get much of their identity from working. They work to earn status and prestige. (3) Calling-oriented people see work as a route to personal fulfillment. They work to make an impact. Why do you work? The answer leads to BIGG success. Get more tips from BIGG Success [here](#).

We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to COVID-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties

come available, make sure Machelles has your property on her list! Call Machelles at 217-442-6201 or email her at mdykes@vermilionadvantage.com if you need assistance.
