BIGG Tip - Why a Bad Day Can Be Good - Research shows that past adversity makes you appreciate the present more. The researchers asked participants to recall a hardship before being presented with a positive scenario (e.g. going on a hike). Those who had experienced past pains demonstrated a higher capacity for enjoying life's small pleasures. Let your bad days help make the good ones even better! It leads to BIGG success! We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs

Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to COVID-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Machel has your property on her list! Call Machel at 217-442-6201 or email her at mdykes@vermilionadvantage.com if you need assistance.
