BIGG Tip - How to Offer Criticism Without Sounding Critical - There are two ways to discuss a negative: "YOU performed below expectations" (active voice) or "Expectations weren't met" (passive voice). By using the passive voice, the receiver won't get defensive. So, you can focus on finding and fixing the problem together. When discussing a negative, use your passive voice so you have a conversation, instead of a confrontation. It leads to BIGG success! Get more tips from BIGG Success [here](#).

We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to Covid-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth

list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Machelles has your property on her list! Call Machelles at 217-442-6201 or email her at mdykes@vermilionadvantage.com if you need assistance.
