BIGG Tip - How to Prepare for Important Conversations. Role play! Find someone to play the other person. Mirror the setting as much as possible. If you'll be standing, stand. If seated, sit. If on the phone, call. Use role playing to prepare for a job interview, ask for a raise, prepare for a sales call, or practice helping a customer. It will reduce stress, boost confidence, and lead to BIGG success! Get more tips from BIGG Success [here](#).
