BIGG Tip: Use this Rule to Enjoy Time Off - Studies shows a constant attachment to work is counterproductive. Psychologist David Ballard says we're meant to take stress in short bursts with recovery time in between. Body and mind need time to recharge. While success is achieved through determination and dedication, it's defined by your ability to enjoy your whole life. So follow this rule: Disconnect when you're not working. It leads to BIGG success. Get more tips from BIGG Success [here](#).
