**BIGG Tip - The Simple Secret to Getting Your Work Done** - Think like a TV producer, says Jeremy Dean in Making Habits, Breaking Habits. Producers love the dreadful words we hate: "to be continued." Research shows we don't like unfinished work either. How can you avoid a task hanging over you like a cliffhanger? Just get started and you'll be driven to get the project done. Then you can say, "It's a wrap!" That's BIGG success! Get more tips from BIGG Success [here](#).

**APPI Energy - Data-Driven Procurement and Consulting** - For 23 years, APPI Energy has remained a trusted name as the preferred provider of energy consulting services for 158 trade associations and chambers of commerce including Vermilion Advantage. We provide our clients with recommendations designed to save time, reduce expenses, and create budget certainty during the energy procurement process. **We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs** - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to Covid-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Mabelle has your property on her list! Call Mabelle at 217-442-6201 or email her at [mdykes@vermilionadvantage.com](mailto:mdykes@vermilionadvantage.com) if you need assistance.
