BIGG Tip - Want a Simple Way to Boost Your Outlook? - Author Martin Seligman suggests the "What Went Well Exercise." Set aside ten minutes before going to sleep. Write down three things that went well that day and state why. List whatever comes to mind. For example: My co-worker made coffee...because she's thoughtful. It may feel awkward at first but stick with it. Research shows a positive outlook leads to BIGG success. Get more tips from BIGG Success [here](#).

We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to Covid-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Machelles has your property on her list!
