BIGG Tip - How to Stop Using a Crutch Word - Create substitutes - think up two or three alternatives. Pull one out when you're about to lean on your crutch. For example, instead of "you know", you might say "you're probably aware of this", "you may find this interesting", or "I bet you can relate to this". Communicate better by getting off your crutches. It leads to BIGG success! Get more tips from BIGG Success [here](#).

We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to COVID-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties

come available, make sure Machelles has your property on her list! Call Machelles at 217-442-6201 or email her at mdykes@vermilionadvantage.com if you need assistance.
