**BIGG Tip: How to Complain Constructively** - Complain the wrong way and no one will help. Guy Harris, author of *The Squeaky Wheel*, says a “complaint sandwich” gets results. The top is the “ear-opener,” Which keeps the recipient from feeling attacked. The “meat” is your complaint; frame it as a request. The Bottom is the “digestive,” a positive statement that encourages help. Sandwich a negative between two positives for your BIGG success. Get more tips from BIGG Success [here](#).
