**BIGG Tip - Can Happiness Cost You Money?** Yes! Researchers asked college freshmen to report their level of happiness. Twenty years later, the researchers looked at their incomes. Participants who had rated their happiness at the top of the ten-point scale made six percent less than people who placed their level of happiness at eight or nine. Be happy but not content. It leads to BIGG success! Get more tips from BIGG Success [here](#).

**We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs** - Vermilion Advantage can help with your professional recruitment needs, even though we have temporarily discontinued tours due to COVID-19. In place of personal tours, we do have information about the area that can be emailed to those coming interested in learning more about our community, and/or would be happy to talk at length by telephone. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals that the public may not be aware of through other channels. In addition, if you have professional rental properties come available, make sure Machele has your property on her list! Call Machele at 217-442-6201 or email her at [mdykes@vermilionadvantage.com](mailto:mdykes@vermilionadvantage.com) if you need assistance.
