**BIGG Tip - WAIT to Communicate Better.** WAIT is an acronym for Why Am I Talking? Before you speak, ask yourself: What's the purpose of this communication? How can I best say it? And it doesn't just apply to talking. WAIT when you're writing an e-mail. Just ask: Why Am I Typing? How about: Why Am I Texting? It helps you get to the point. So WAIT...for your BIGG success!
