BIGG Tip - How to Double the Chances of Achieving Your Goal. Use "if-then" planning. Studies on diet, exercise, negotiation, time management, and more show this doubles or even triples the odds of reaching a goal. For example, you want to eat healthier snacks at work. Plan ahead: IF it's mid-afternoon, THEN you'll snack on a handful of almonds. Trigger the action you want with an if-then plan. It leads to BIGG success! Get more tips from BIGG Success [here](#).

Community tours are back in action! We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help our members with professional recruitment by taking your new employees or employment candidates on a (free) Community Tour. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals, that the public may not be aware of through other channels. In addition, we have some lovely extended-stay hotel suite options. And, if you have professional rental properties coming available, make sure Machelles has your property on her list! Questions? Call Machelles at 217-442-6201 or email her at mdykes@vermilionadvantage.com.
