**BIGG Tip - The Simple Secret to Getting Your Work Done.** Think like a TV producer, says Jeremy Dean in Making Habits, Breaking Habits. Producers love the dreadful words we hate: “to be continued.” Research shows we don’t like unfinished work either. How can you avoid a task hanging over you like a cliffhanger? Just get started and you’ll be driven to get the project done. Then you can say, “It’s a wrap!” That’s a BIGG success! Get more tips from BIGG Success [here](#).

**APPI Energy - Data-Driven Procurement and Consulting** - For 23 years, APPI Energy has remained a trusted name as the preferred provider of energy consulting services for 158 trade associations and chambers of commerce including Vermilion Advantage. **Community tours are back in action! We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs** - Vermilion Advantage can help our members with professional recruitment by taking your new employees or employment candidates on a (free) Community Tour. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals, that the public may not be aware of through other channels. In addition, we have some lovely extended-stay hotel suite options. And, if you have professional rental properties coming available, make sure Machelles has your property on her list! Questions?
