BIGG Tip - A Sure Way to Sabotage Your Progress. Compare yourself to others. For example - if you start walking today, don't compare how far or how fast you can go to someone who's been walking for a year. Own where you are. Continue moving forward. And never compare your beginning to someone else's middle. Find your happy ending by pushing on to your BIGG success! Get more tips from BIGG Success [here](#).

APPI Energy - Data-Driven Procurement and Consulting - For 23 years, APPI Energy has remained a trusted name as the preferred provider of energy consulting services for 158 trade associations and chambers of commerce including Vermilion Advantage. We provide our clients with recommendations designed to save time, reduce expenses, and create budget certainty during the energy procurement process. Find out more at www.appienergy.com.

Community Tours - We can help with your Professional Recruitment and/or Short- or Long-Term Rental Needs - Vermilion Advantage can help our members with professional recruitment by taking your new employees or employment candidates on a (free) Community Tour. We can also help your current or new employees with rental referrals - we keep a word-of-mouth list of available home and apartment rentals, also including some furnished short-term corporate rentals, that the public may not be aware of through other channels. In addition, we have some lovely extended-stay hotel suite options. And, if you have professional rental properties coming available, make sure Mabelle has your property on her list! Questions? Call Mabelle at 217-442-6201 or email her at mdykes@vermilionadvantage.com.
