BIGG Tip -Do You Play to Win the Game of Life?

Many people don't. You see this in sports. The underdog gets the lead. Now, they play to "not lose." And then, they lose. In the same time, their opponent keeps playing to win. Being down is temporary; they will overcome. Playing to not lose keeps people stuck in place, at best. But you're a winner. You're driven by hope. So, play to your strengths and you'll reach BIGG success! Get more tips from BIGG Success [here](#).
