### ***BIGG Tip - How to Relieve Stress in Seconds***

When faced with stress, Psychology Today author Diane Barth suggests: (1) Escape your mind. (2) Relax back in a chair, with feet squarely on the floor. Rest your hands in your lap. (3) Close your eyes. (4) Breathe through your nose into your chest. Breathe in and out, to a count of four. Repeat three times. Now, you'll feel much calmer as you return to the real world. It leads to BIGG success! Get more tips from BIGG Success [here](#).
